Mark up this document.

This PDF is a tour of the annotations Inkbar supports. Each page pairs a short note on the left with a box on the right that is yours to mark up.

It already holds one annotation of each type, as a reviewer might leave them. Inkbar opens what a PDF already has.

Highlight, underline and strike

Select text and mark it four ways: highlight, underline, strikethrough or a squiggly underline. Each mark follows the text it covers, across line breaks.

Try it: highlight “good and substantial repair”, then strike out “fair wear and tear excepted”.

Clause 4.2 · Repairs

The Tenant shall keep the interior of the Premises in good and substantial repair and condition, and shall yield them up at the end of the Term in the state shown in the Schedule of Condition, fair wear and tear excepted.

Damage caused by the Tenant’s contractors must be made good within 28 days.

Notes and replies

Pin a note anywhere on the page. Each note opens into a thread, so reviewers can reply to each other without leaving the document.

Try it: pin a note to the total and ask where the travel cost came from.

Invoice 2041

Due 14 November 2026

Item	Qty	Amount
Site survey	1	£450.00
Structural report	1	£1,200.00
Travel	3	~~£96.00~~
Total		**£1,746.00**

Text boxes and callouts

Type straight onto the page, in any font, size, colour or alignment. A callout adds a leader line so the text points at what it’s about.

Try it: fill in the form with text boxes, then point a callout at the postcode.

Delivery details

Full name Joseph Mensah

Address

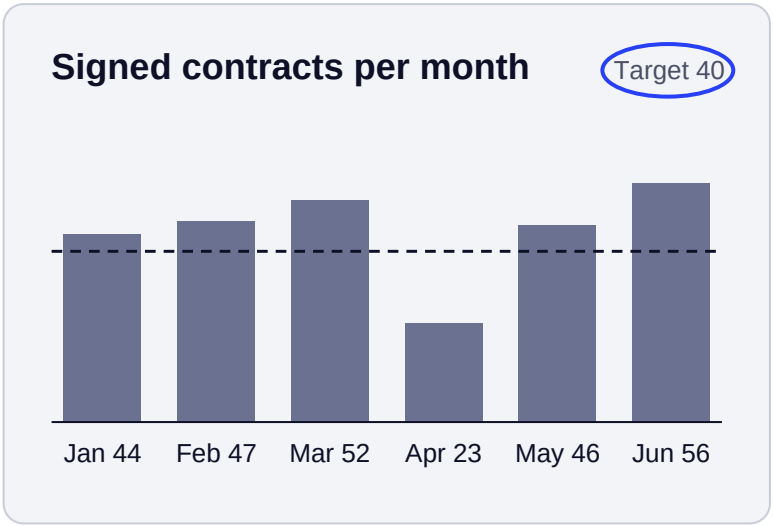
Postcode

Delivery date

Shapes and lines

Rectangles, ellipses, lines, arrows, open polylines and closed polygons. Set the stroke colour, width and fill on each one.

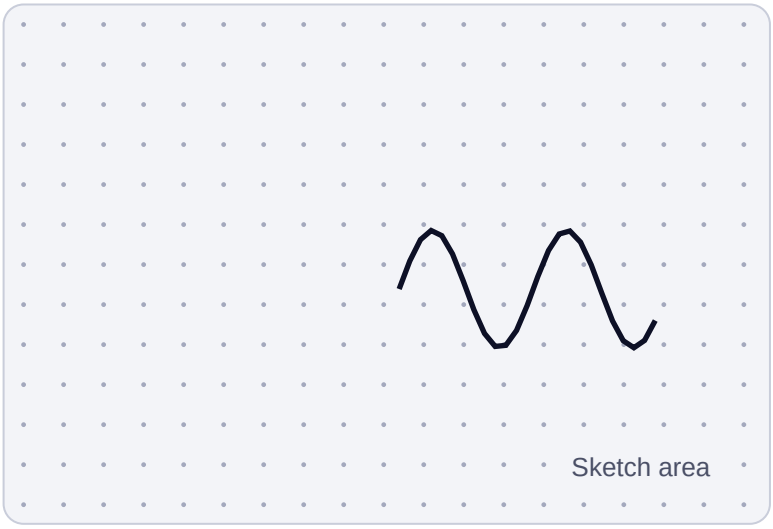
Try it: circle the month that missed target and box the best one.



Freehand ink

Draw with a mouse, pen or finger. Sketch a rough line, arrow, rectangle, ellipse, polygon or star and Inkbar can turn it into a clean shape.

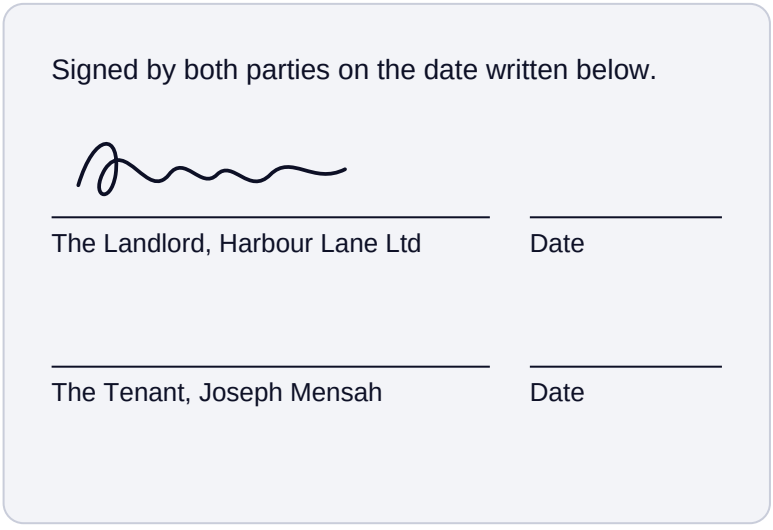
Try it: draw a wobbly star in the grid and watch it straighten out.



Images and signatures

Place a PNG or JPEG anywhere on the page. Draw, type or upload a signature once, then drop it onto any line that needs it.

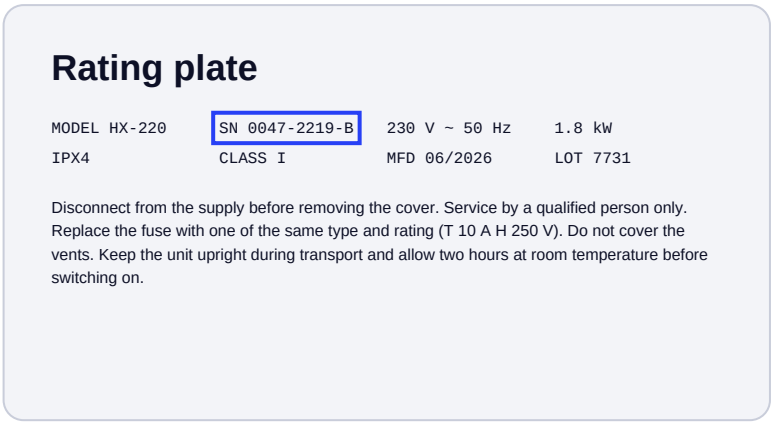
Try it: sign for the tenant and add today's date.



Loupe

A magnifier you leave on the page. It shows what sits under its centre at twice the size or more.

Try it: put a loupe over the serial number.



Mask

Dim the whole page except one rectangle or ellipse, to point a reader at a single row or figure.

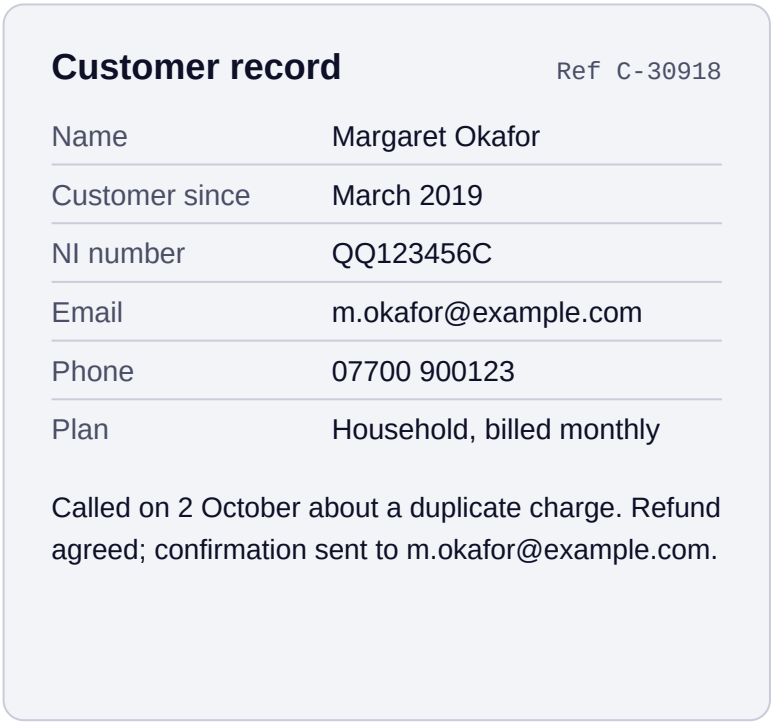
Try it: mask everything but the delayed train.

Time	Destination	Platform	Status
07:42	York	4	On time
07:58	Manchester Piccadilly	1	On time
08:15	London Kings Cross	8	**Exp 08:41**
08:22	Hull	12	On time

Redaction

Mark text or an area for removal. A redaction covers what is under it on the page.

Try it: redact the NI number and the phone number.



Customer record Ref C-30918

Name	Margaret Okafor
Customer since	March 2019
NI number	QQ123456C
Email	m.okafor@example.com
Phone	07700 900123
Plan	Household, billed monthly

Called on 2 October about a duplicate charge. Refund agreed; confirmation sent to m.okafor@example.com.
