Mark up this document.

This PDF is a tour of the annotations Inkbar supports. Each feature comes with a box to mark up and steps that name the toolbar buttons to press.

It already holds one annotation of each type, as a reviewer might leave them. Inkbar opens what a PDF already has.

Highlight, underline and strike

Mark text four ways: highlight, underline, strikethrough or squiggly.

Highlight **Choose highlight**

1. Press Highlight and drag across “good and substantial repair”.
2. Pick Strikethrough under Choose highlight, then drag across “fair wear and tear excepted”.

`Clause 4.2 · Repairs`

The Tenant shall keep the interior of the Premises in good and substantial repair and condition, and shall yield them up at the end of the Term in the state shown in the Schedule of Condition, fair wear and tear excepted.

Damage caused by the Tenant’s contractors must be made good within 28 days.

Notes and replies

Pin a note anywhere. Each note opens a thread, so reviewers can reply without leaving the document.

Add note

1. Press Add note, then click beside the total.
2. Ask where the travel cost came from and press Comment.
3. Click the note again to reply.

Text boxes and callouts

Type onto the page in any font, size or colour.

Text box **Choose shape**

1. Press Text box, click a line and type a name.
2. Pick Speech bubble under Choose shape and drag one out above the postcode.

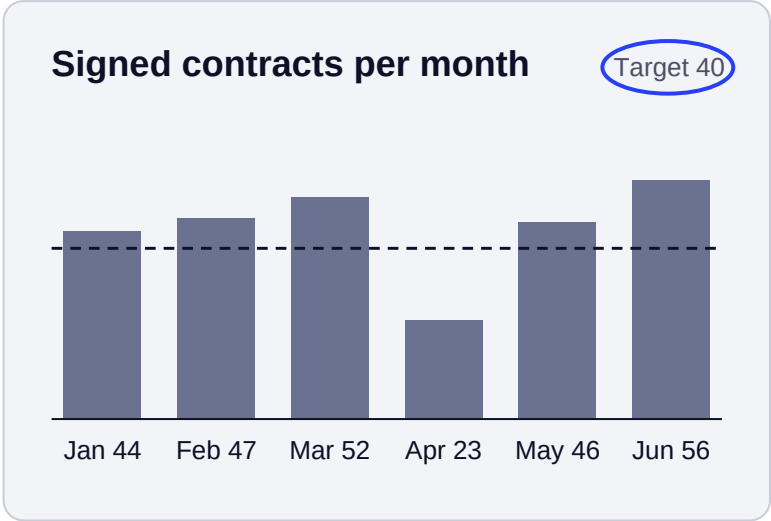
Shapes and lines

Lines, arrows, rectangles, ellipses, stars and polygons, each with its own colour, weight and fill.

Choose shape

1. Open Choose shape and pick Ellipse.
2. Drag around the month that missed target. Hold Shift for a circle.
3. Pick Rectangle the same way and drag around the best month.

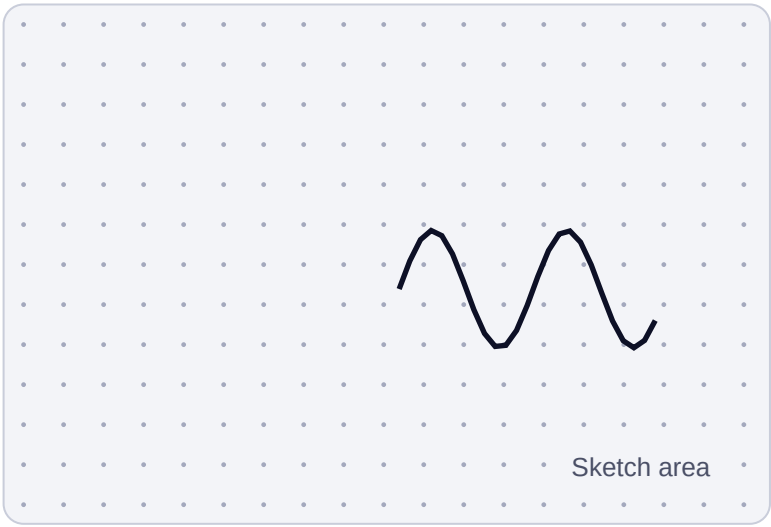


Freehand ink

Draw with a mouse, pen or finger. Sketch turns a rough line, arrow, box, ellipse or star into a clean shape.

Draw **Sketch**

1. Press Draw and scribble in the grid. It stays on until you pick another tool.
2. Press Sketch and draw a wobbly star in one stroke.
3. Let go and it snaps to a clean star. Undo once to get your rough one back.

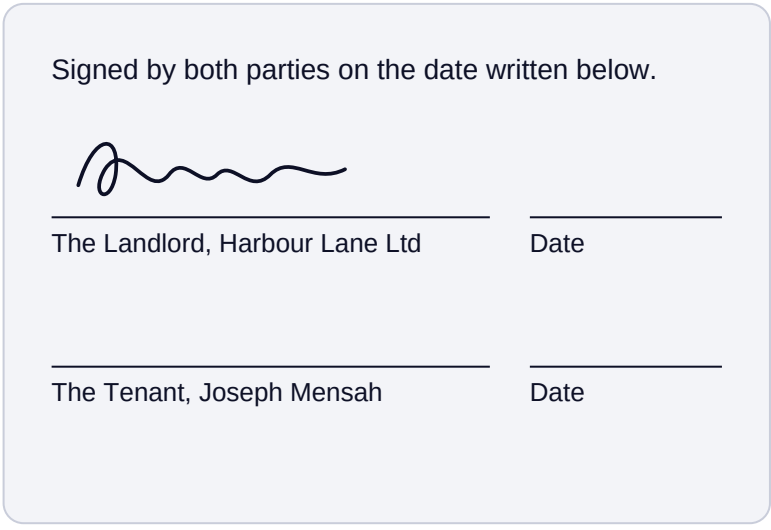


Images and signatures

Draw, type or upload a signature once, then drop it onto any line that needs it.

Sign **Text box**

1. Press Sign, then Create signature. Draw, type or upload one and press Save.
2. Pick it in the Sign menu and click the tenant’s line.
3. Add today’s date with a Text box.

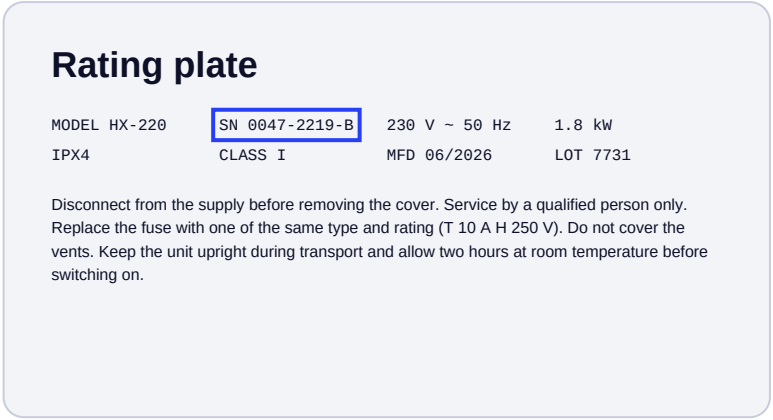


Loupe

A magnifier you leave on the page. It shows what sits under its centre at twice the size or more.

Choose shape

1. Open Choose shape and pick Loupe.
2. Drag a circle over the serial number.



Mask

Dim the whole page except one rectangle or ellipse, to point a reader at a single row or figure.

Choose shape

1. Open Choose shape and pick Mask.
2. Drag around the delayed train. The rest of the page dims.

Time	Destination	Platform	Status

Redaction

Mark text or an area for removal. A redaction covers what is under it on the page.

Mark for redaction

1. Press Mark for redaction and drag a box over the NI number.
2. It switches off after each one, so press it again for the phone number.
